Press Release – Southeastern Regional Sales Manager Appointed at Formtek-ME

Formtek is pleased to announce the promotion of Mike Roy to the position of Southeastern Regional Sales Manager, effective December 1st. Mike has 17 years of experience with Formtek's broad array of coil handling, processing, and forming equipment. Mike will be responsible for sales of our coil metal processing, flexible fabrication, and roll forming divisions.

Formtek is a group of long established metal forming equipment manufacturing companies, each with well-known names, with a history of providing innovative and reliable equipment to the metal forming and metal processing

industries.
